A diagram showing a reflex angle. Two rays originate from a common vertex. One ray is horizontal and points to the right, labeled 'Z'. The other ray points upwards and to the left, labeled 'X'. A circular arc is drawn around the vertex, starting from ray Z and going counter-clockwise to ray X. The arc is labeled '270°'. To the left of the vertex, there is a small circle containing the letter 'Y'.

$\angle XYZ = 270^\circ = \text{Reflex Angle}$

Thank
You

The image features the words "Thank You" in a large, pink, bubbly font. The text is set against a dark blue background with diagonal stripes. Surrounding the text are several colorful, stylized butterflies in shades of blue, green, purple, and pink. The butterflies are positioned around the letters, with some appearing to be perched on them. The overall style is whimsical and celebratory.
