BHSM Environment Enthusiasts

Decoding

It begins from the institution itself
We do it because we believe in it.

Eco Champ Campaign

Our school took the initiative to apply what is being taught. Instead of throwing away the garlands used for Ganesh Chaturthi, we used it as compost for our school garden.

Van Mahotsav Week

Best Out of Waste

Students planted and adopted saplings.

Green Crusaders

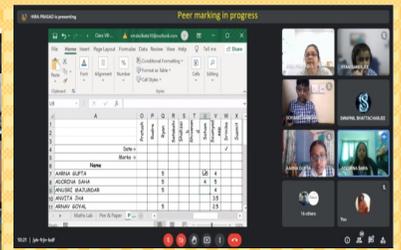

BIRLA HIGH SCHOOL-MUKUNDAPUR

Bits and Bites

October 2021, Second Edition

Students from Class III to VIII evaluated each other's projects based on the rubrics provided by the teachers. This helped to develop the Critical Thinking and Evaluation skills of the students.

Art-Integrated Learning

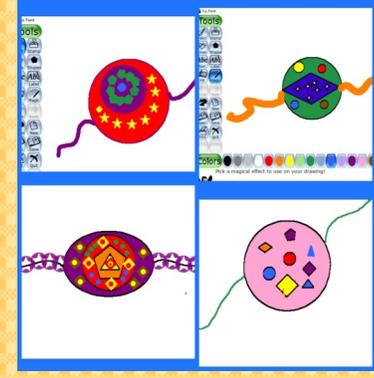

Creative Writing in Bengali

Bits and Bites

October 2021, Second Edition

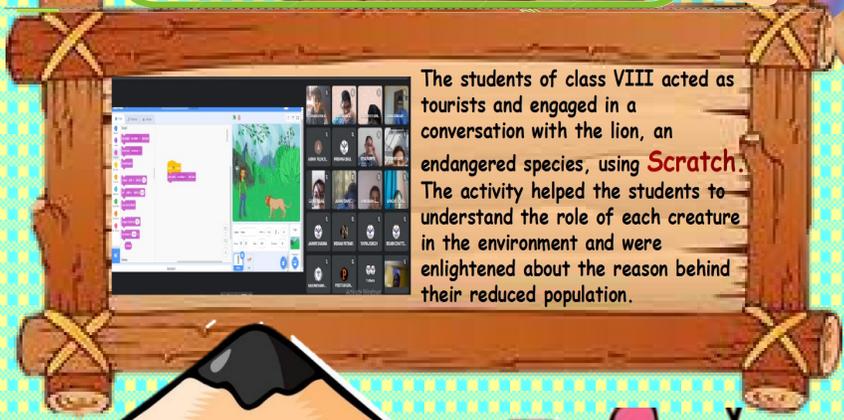

AI IN ACTION

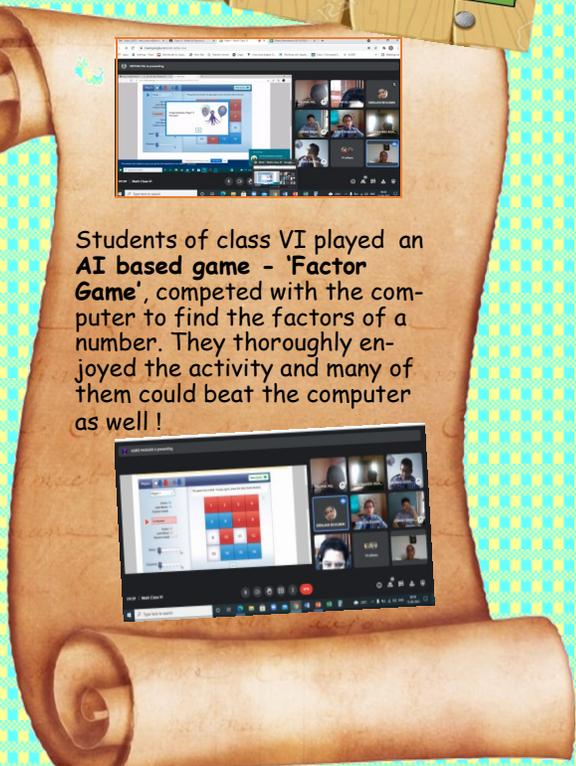

Students of Class V used **AI Dungeon** in their English class to write stories

During their Physics class, the students of class VIII tried their hands at **Infinite Drum Machine**, an AI tool to compose melodious music.

The students of class VIII acted as tourists and engaged in a conversation with the lion, an endangered species, using **Scratch**. The activity helped the students to understand the role of each creature in the environment and were enlightened about the reason behind their reduced population.

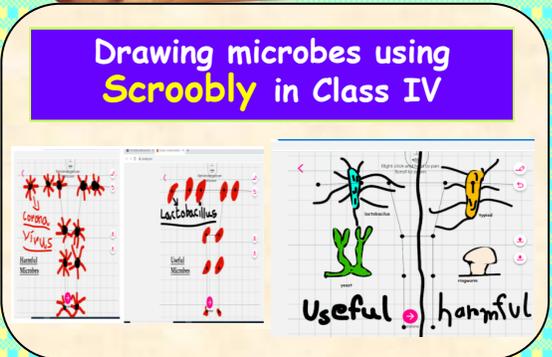

Students of class VI played an AI based game - '**Factor Game**', competed with the computer to find the factors of a number. They thoroughly enjoyed the activity and many of them could beat the computer as well !

The students of Class VII tried their hands on various AI tools such as- **AI Dungeon**, **Autodraw** and **Google Sites** during their English class.

Autodraw was used by Class VII in their English class to help them revise Modals.

Drawing microbes using **Scroobly** in Class IV

Bits and Bites

October 2021, Second Edition

Learning Through Hands-on Activities

Bagless Day — Monsoon Magic

What is better than dancing to the rhythm of the rain! The students of Class II tapped their feet to songs which celebrated monsoon.

My Monsoon Friends

A show and Tell activity by Nursery students helped the tiny tots to learn about all monsoon must haves.

Pitter Patter Raindrops

High and dark clouds in the sky, bring showers with thunder passing by. Creative hands of Class I were thrilled to make Wall Hanging and raindrops with spray painting.

Bird's Eye View

Students of Class I were delighted to make their own binoculars. Along with understanding its usage, they also learnt several new words connected to it.

Happy Teacher's Day

Grandparent's Day

Grandparents make the world a little kinder and softer. Grandparent's Day was celebrated with a lot of enthusiasm. The grandparents enjoyed singing, reciting poems, playing musical instruments, cooking and dancing. The beautiful moments were captured in the form of a video which was dedicated to them.

An Ode to the Teacher

The Nursery Students paid tribute to their teachers by enacting like them and teaching their peers something new!

Happy Birthday Kolkata

The students of Nursery celebrated Kolkata's birthday with a sandesh making activity. They made the sandesh using cottage cheese, sugar and dry fruits. By preparing the dish at home, the students learnt the importance of eating home cooked food.

Role Play

Students of KG convinced all of the healthy benefits of eating fruits and vegetables. They dressed as their favourite fruit or vegetable and spoke about its benefits.

Budding Scientists

Behind every magic, there is Science. The students of Class II explored the world of science through experiments with home-made science kits. This enhanced Critical Thinking skills and they were able to answer the "Whys, hows, and whats" questions through their observations.

Magic of Stories

Students of Class I created Magic in the classroom by dressing up as their favourite story book character. They shared the moral of their most loved story with their friends.

Best Integration of Technology into the Curriculum- Amrita Sen, Harsha Lakhmani, Payel Bose

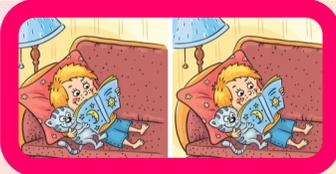

Let's Interact

Classes - NUR - I

Classes II - V

Classes VI - VIII

SPOT THE DIFFERENCE

- I am an Indian paralympian and javelin thrower who won a gold medal in men's javelin throw F64 category at the 2020 Summer Paralympics. Who am I?
- I had not only fought for Independence but also embraced the untouchables as 'Harijans'.

Click a photograph on the theme "Nature"
The first 3 photographs will be published in the next issue of the newsletter.

Mail your entries at-

- somoshree_sarkar.m@birlahighschool.com (Nursery-Class I)
- amrita_sen.m@birlahighschool.com (Class II-V)
- priyanka_roychoudhury.m@birlahighschool.com (Class VI-VIII)

The first 3 correct entries for each category will be considered. The names of the winners will be published in the next issue.
