JANUARY 2022, THIRD EDITION

## Festival Bonanza

The month of October heralded the autumnal festivals of Durga Puja and Diwali. Basundhara Ghosh of Class VIII chanted the famous 'Chandipath' to invoke Goddess Durga on the auspicious day of Mahalaya. Students performed a dance recital to depict the triumphant of good over evil followed by a song in the praise of. This will be viewed by clicking on this link-

## Joy of Giving

DaanUtsav week was celebrated from 2<sup>nd</sup> October to 8<sup>th</sup> October. Our students presented clothes to their domestic helpers and shared food with underprivileged children, stray animals and birds to spread joy and happiness.

## Organisational Change

With the retirement of our ex-principal Mrs. Minnie Sengupta in the month of October; our erstwhile headmistress Mrs. Hira Prasad was assigned the post. Mrs. Ravinder Kaur was appointed as the new headmistress.

Mrs. Hira Prasad

### National Mathematics Day

The Founder's Day of our school was celebrated on Thursday, 16th December, 2021. Various activities to mark the occasion were conducted on this day. SPELLYMPIC 2021, an Inter-School Spelling and Word Building Competition was the major attraction. All our students, teachers and office staff contributed towards a greener planet by planting a sapling on that day.

The students of class I celebrated National Mathematics Day and learnt that simplification is not only valid in maths, it teaches us to simplify the complexities of life. So let us keep learning maths in the best way right from the word go.

# ACCOLADES

## Smoke Free Diwali

Smoke free Diwali is an initiative sponsored by SwitchOn Foundation. The foundation aims to make Diwali a healthy and caring occasion where individuals of all ages can celebrate it joyfully and safely. Our school participated in this competition and bagged the top positions in both the junior and senior categories. We are proud of our students, Sourajit Mahalanobish of Class III B and Anisha Maheshwari of Class VI A for giving their best.

## Spellympic'21

The 3<sup>rd</sup> edition of Spellympic' 21 was a stupendous success. The online format of this spelling and word building contest comprised identification of similes, a round of spellathon as well as making words with suffix and prefix. The defending champions BHSM roared their way to victory in the last round of the event by scoring more than thousand points on the word maze. Kudos to the tenacious trio Soumabho Majumdar, Tanvi Agarwal & Parijat Chatteraj!!!

## MULTIPLICATION CITY

## LEARNING ALPHABETS

Multiplication city helped children learn multiplication facts through a simple hands-on learning method.

The kindergarten children engaged in a hands-on learning activity by making flipbooks on word families. They presented their books with a sense of accomplishment. This activity engaged the sensory pedagogies such as visual and tactile discrimination.

## MOVIE TIME

## The Future Inventors

The students of Class II enjoyed the bagless day by watching the movie 'Home Alone'. Besides being an enjoyable experience, the students also learnt that when things do not go our way, we must not panic but always be alert and deal with the unexpected with grit.

The students of Class IV made solar cookers after learning about solar energy.

# Bits and Bytes

## Tiger Mask

'Shoot me only with a camera, please!' was the tagline as the young learners went about making tiger masks for this fun activity.

## Word Wheel

The students of KG created a 'Word Wheel' blending Artificial Intelligence and Art in English. The students solved the puzzles based on CVC words. The aim of this activity was to make three letter words with the 'ib & ig' word families.

## G for Giraffe

The creative minds of Nursery took to craftwork to relate letters to objects. The splash of colours and the rolled-up papers gave us glimpses of their joy of learning.

These creative minds displayed their craftsmanship as they embodied the concept of 'Learning by Doing' craft.

On World Heart Day students made a heart-shaped wall hanging using coloured paper. This activity intended to sensitize them about various heart diseases.

অংকের বাগান

गिनती की बगिया

Students learnt numbers in the vernacular. They made flowers out of paper and numbered them from 1 to 10 accordingly. This activity made the number learning fun for the students.

It's Christmas! Ho Ho Ho .....

Students celebrated Christmas by making Reindeer cookies for their secret Santas. They also made a Santa face masks and promised to spread happiness around the way Santa does for all the children.

## Be anything but... be kind My Favourite Lane

Celebrating World Kindness Day with a plethora of activities for Class I. From conversation building to story writing accompanied by art and craft, it definitely was a fun-filled day.

The students of class II created models of their favourite places with waste materials. They also gave a special name to these places. A few designed their school and named it as the 'Lane of Happiness'.

### Season Tree

### Globe Making

The moods of nature found expression via the 'Season Trees' made by the students of Class III.

Students made globes using newspaper. Through this activity they learnt how the movement of Earth causes day, night and the change of seasons.
